

**GEMOFOR**  
FOR A WORLD OF PERFORMANCE

# G-RADIUS

## Manual Round Corner Shaper

## AFFORDABLE, PERFORMANCE AND MALLEABILITY

Designed for very specific applications, such as bed structures and fence poles, GEMOFOR's round corner shaper leads to superior quality finished products.

Although entirely manual, this machine is very efficient and affordable. Built on rolls, it can be integrated to your line for the production of a specific product, and then taken out quickly.

### Advantages

- Knives:
  - Two heads with interchangeable knives.
- Motorization and pedal:
  - Mounted on pneumatic cylinder.
- Security box:
  - On ball bearing.
  - Moves with the heads.
